Dear Parents and Students,

## Primary Transfer and Y6 Transition 2024

### Congratulations on your offer and welcome to Cheslyn Hay Academy!

It is with great pleasure that we welcome you to Cheslyn Hay Academy and to be a part of an exciting learning journey. We are excited to meet all of our Year 6 students and we have an extensive transition programme planned over the next 6 months to prepare you for the move to our wonderful school. We have been working hard to plan this programme and have arranged a number of face to face opportunities throughout the remainder of the school year. Further details of these will unfold over the coming weeks to give you the opportunity to see our school in detail and meet key members of the Cheslyn Hay Academy staff who will be supporting you as new parents and students in our school.

We pride ourselves on our transition programme and it will include: welcome presentations from key members of staff; a virtual tour of the school; a wealth of information and advice; guidance on uniform; and the answers to other frequently asked questions as well as many other opportunities to learn more about our school. We will be launching our specialist transition page on our [website](#) which will give you further information during the summer term.

We are confident that you will be happy with Cheslyn Hay because of our exceptional pastoral system that will guide our students towards unlocking their academic and personal potential as they progress through our school.

We have already started the process of gathering essential information from our primary schools and collaborating with primary school staff, so that we can ensure that all of our new students can have a strong transition process and an excellent start to your secondary school experience in September.

We understand that for many children, the transition to secondary school can be a little daunting, but our programme of transition is well make sure that you are well prepared for September; can meet new students and staff before starting; and reassure you about what life in secondary school is really like. We will be writing to you again shortly, but in the meantime please take a few moments to read the information about our school you can find already on our website.

We have a dedicated transition email for support and queries available at: [transition@cheslynhay.windsoracademytrust.org.uk](mailto:transition@cheslynhay.windsoracademytrust.org.uk). Please feel free to send any questions you may have and we will get back to you asap.

Yours sincerely

Mr T Macdonald  
Headteacher

Mr S Evans  
Transition Coordinator
