To ensure that your child is able to continue to learn from home in the event of individual isolation or as a result of us having to close a whole bubble, we would like to share our home learning plans with you in. So far, we have been really proud of the children's commitment to their learning at home. We understand that this is difficult for parents and we will do as much as we can to support you.

If your child is absent because they are awaiting test results, or your household is required to self-isolate, online learning will be provided by the class teacher. On day one of isolation, please access the following online resources:

<https://www.activelearnprimary.co.uk/login?c=0>

<https://www.doodlemaths.com/>

<https://www.doodleenglish.com/>

<https://www.spag.com/>

<https://www.mymaths.co.uk/primary.html>

<https://www.bbc.co.uk/bitesize/primary>

<https://play.ttrockstars.com/auth/school/student>

As from day two, if your child is in EYFS, Year 1, Year 2 or Year 3, we will be uploading 5 lessons a day: phonics/spelling, English, reading, maths and topic on Class Dojo. If your child is in Year 4, Year 5 or Year 6, we will be uploading 5 lessons a day:

English, reading, maths and topic via Microsoft Teams.

Please also ensure your child reads daily.

It is really important that your child continues to learn during this pandemic and your support with these bubble closure plans is greatly appreciated. We are of course hopeful there will be limited need for this, but it's important we are all prepared for any such event.

If you have any concerns about your child's access to the home learning or queries during a period of isolation, please contact your child's class teacher via Class Dojo.

Yours sincerely,

Mrs Jackson
Head of School
