Dear Parents/Carers,

### **Children's University**

We are proud to be a part of the University of Wolverhampton Children's University and run the programme across Key Stage 2. Children's University is a charity that works in partnership with schools to develop a love of learning in children by encouraging and celebrating participation in extra-curricular activities in and outside of school. The impact of these activities is proven to be positive and research shows that joining a Children's University can make a real difference to children's confidence, social skills, attainment and attendance at school.

Come along to the Children's University Launch Assembly (see below for details) to find out more about how your child can start collecting stamps towards achieving Children's University awards. We will be providing refreshments.

### **Year 3 & Year 4 Children's University Launch Assembly**

### **Year 5 & Year 6 Children's University Launch Assembly**
